**About Xavier Cables**

- Lifetime Warranty on cables means they work out of the box, for the life of the technology, free from any manufacturing defects.
- Free tech support.
- Xavier Cables / Professional Cable is a cable company with a few accessories, not an accessory company with a few cables. Our expertise is in cables, from high end data center Fiber Optic Patch cords to the basic USB charging cable in your car.
- Industry specs. USB Certified. HDMI Certified. MFI Apple Certified. ISO 9001 Registered manufacturing.
- Named one of the fastest growing companies in Utah consecutively for 6 years.

We donate a portion of the proceeds to Hydrocephalus charities . 1 out of every 500 children have Hydrocephalus. We are trying to help spread awareness and raise money for research. "Cables with a cause."
